George Cloony, Bill & Melinda gates, African Union, ICC, Buckingham palace, NCVO, Sudan,

The NL-minister of Defense Hillen has decided to sent 30 NL-soldiers to UNmiss = policetraining in South-Sudan, now there is another civil war.

These soldiers are not in Sudan to build Peace, on the contrary. They are there because the International Criminal Court refuses to put NL- & EU-leaders in ICC-prison.

NL-politicians needs another cover for there warcrimes, committed on NL-people. Beside, the NL-parliament is about to collapse today... or this week.

NL is no longer core-business on the financial market = we are impoding ever quicker than I indicated.

We needs new elections, but bot NL-politicians and the INt.Crim, court makes sure that these elections will be hold based on lies again. ICC is largely responsible for the collapse of NL, so politicians need news wars, or 'police-trainings'.

When NL implodes, this will damage the rest of EU too. More than Europeans understand today!
