Iraq, Embassy,

There is an ICCLawcaseNL against former VVD Minister Defence JeanineHennis-Plasschaert .

When she starts to work for Iraq from the UN, terrorism will restart.

All terrorists understand 'that she is a mass-murderer above the law, inside ICC'.

And that she supports UNSG Guterres with private corruption / killings, organized from NL.

And she is turning into a mentally-ill person.

Because she feels threatened by **me**, she became a Navy Soldier.

She wanted to learn 'how to kill a person'.

Now she knows... and she celebrates Victory; 'She can kill a person with a Dutch Navy Weapon.'

I have No Doubt, that when she runs into me and has a gun in her hands, she will shoot.

So, what will Dictator Jeanine Hennis do with the persons who support **me** from Iraq?

She is going to brainwash them with the DictatorshipNL communication-models, what make terrorists furious.. with her manipulations & lies about Justice for All of Us!
